

QCPAxisTicker::generate

```
graph LR; A[QCPAxisTicker::generate] --> B[QCPAxisTicker::createLabel  
Vector];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'QCPAxisTicker::generate'. The right box is gray with a black border and contains the text 'QCPAxisTicker::createLabel' on the top line and 'Vector' on the bottom line.
