

QCustomPlot::removeItem

```
graph LR; A[QCustomPlot::removeItem] --> B[QCustomPlot::removeItem]; B --> C[QCustomPlot::item];
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'QCustomPlot::removeItem'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and also contains the text 'QCustomPlot::removeItem'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'QCustomPlot::item'.
