

modeDialog::calibrationPoints

```
graph LR; A[modeDialog::calibrationPoints] --> B[modeDialog::calibrationPoint  
Selected]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'modeDialog::calibrationPoints'. The right box is white with a black border and contains the text 'modeDialog::calibrationPoint' on the top line and 'Selected' on the bottom line.
