

MainWindow::MainWindow

```
graph LR; A[MainWindow::MainWindow] --> B[MainWindow::setCbrStatic CommandMap]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'MainWindow::MainWindow'. The right box is gray with a black border and contains the text 'MainWindow::setCbrStatic' on the top line and 'CommandMap' on the bottom line.
