

QCPLayoutElement::setMinimumSize

```
graph LR; A[QCPLayoutElement::setMinimumSize] --> B[QCPLayout::sizeConstraints Changed]
```

A diagram illustrating a sequence of events. On the left, a gray rectangular box contains the text "QCPLayoutElement::setMinimumSize". A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text "QCPLayout::sizeConstraints Changed".
