

QCPAxis::items

QCPAxisRect::items

QCPAbstractItem::positions

```
graph LR; A[QCPAxis::items] --> C[QCPAbstractItem::positions]; B[QCPAxisRect::items] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is white with a black border and contains the text 'QCPAxis::items'. The bottom box is also white with a black border and contains the text 'QCPAxisRect::items'. On the right, there is a single, wider box that is gray with a black border and contains the text 'QCPAbstractItem::positions'. Two blue arrows originate from the right side of the two boxes on the left and point towards the left side of the gray box on the right. The top arrow starts from the right side of the 'QCPAxis::items' box and points to the top half of the 'QCPAbstractItem::positions' box. The bottom arrow starts from the right side of the 'QCPAxisRect::items' box and points to the bottom half of the 'QCPAbstractItem::positions' box.
